

Annual Report

Of The

DEPARTMENT OF

MINES AND MINERALS

COMMONWEALTH OF

KENTUCKY

For the Year Ending
December 31, 1996

BY
John L. Franklin
Commissioner

ENERGY ADMINISTRATION
2624 RESEARCH PARK DRIVE
P.O. BOX 14080
Lexington, Kentucky 40512-4080

This publication has been prepared by the Department of Mines and Minerals
and paid for with state funds.

Department of Mines and Minerals
P.O. Box 14080
Lexington, Kentucky 40512-4080
(606) 246-2026 (Office)
(606) 246-2038 (Fax)

The Honorable Paul E. Patton
Governor of Kentucky
Frankfort, Kentucky

Dear Governor Patton:

I have the honor to submit to you the report of the Department of Mines and Minerals for the year ending December 31, 1996. This constitutes the one hundred and seventeenth such report of this Department.

Very respectfully yours,

John L. Franklin, Commissioner
Department of Mines and Minerals

NOTICE

The Department of Mines and Minerals does not discriminate on the basis of disability in the admission or access to, or treatment or employment in, its programs and activities.

Shelley McConkey, P.O. Box 14080, Lexington, Kentucky 40412 has been designated to coordinate with the non-discrimination requirements contained in section 35.107 of the department of Justice regulations. Information concerning the provisions in section 35.107 of the Americans with Disabilities Act, and the rights provided thereunder, are available from the ADA Coordinator. Please contact Ms. McConkey should you desire this information in an alternative format.

EQUAL EMPLOYMENT OPPORTUNITY STATEMENT

The Department of Mines and Minerals does not discriminate on the basis of race color, national origin, sex, religion, age or disability in employment or the provision of services.

INTRODUCTION

Kentucky coal production for 1996 was 157,674,605 tons which was 528,963 tons more than the previous year. In 1996, Kentucky mined 59,193,320 tons of coal by surface operations while 98,479,285 tons were mined underground.

The coal industry furnished direct employment for 21,827 miners. Twelve were killed in Kentucky coal mine accidents in 1996 which was up from eleven fatalities in the previous year.

In July, 1996, the clay mining industry ceased to be regulated by the Kentucky Department of Mines and Minerals.

The following chart compares production of the various types of coal mines for the past two years:

COAL PRODUCTION IN TONS

TYPE MINE	1996	1995
Rail-Underground.....	24,475,811	24,248,269
Rail-Auger Surface.....	3,985,636	3,483,023
Rail-Auger	0	0
Rail-Surface.....	3,054,953	2,442,780
RAIL TOTALS	31,516,400	30,174,072
<hr/>		
Truck-Underground.....	64,421,926	64,927,150
Truck-Auger Surface	36,722,983	35,767,853
Truck-Auger	1,271,230	1,326,747
Truck-Surface.....	11,917,661	13,374,781
TRUCK TOTALS	114,333,405	115,396,531
<hr/>		
Water-Underground.....	9,581,548	8,868,433
Water-Auger Surface.....	2,242,857	2,706,606
Water-Auger	0	0
Water-Surface.....	0	0
WATER TOTALS.....	11,824,405	11,575,039
ALL MINES	157,674,605	157,145,642

HEADS OF THE DEPARTMENT

1884-1893	C. J. Norwood	Inspector of Mines
1893-1896	C. J. Norwood	Chief Inspector of Mines ¹
1897-1901	G. W. Stone	Chief Inspector of Mines
1902-1919	C. J. Norwood	Chief Inspector of Mines
1920-1923	Lawson Blenkinsopp	Chief Inspector of Mines
1924-1927	W. H. Jones	Chief Inspector of Mines
1928-1934	John F. Daniels	Chief, Department of Mines ²
1934-1939	John F. Daniels	Chief, Department of Mines and Minerals ³
1940-1944	G. M. Patterson	Chief, Department of Mines and Minerals
1945-1947	Harry Thomas	Chief, Department of Mines and Minerals
1948-1955	A. D. Sisk	Chief, Department of Mines and Minerals
1956-1959	James H. Phalan	Chief, Department of Mines and Minerals
1960-1968	A. H. Mandt	Commissioner, Department of Mines and Minerals ⁴
1969-1979	H. N. Kirkpatrick	Commissioner, Department of Mines and Minerals
1979-1990	Willard Stanley	Commissioner, Department of Mines and Minerals
1990-1992	Carl Ankrom	Acting Commissioner, Department of Mines and Minerals
1992-1995	Burl Scott	Commissioner, Department of Mines and Minerals
1995	John L. Franklin	Commissioner, Department of Mines and Minerals

The Kentucky Department of Mines was established in 1884 and offices were located in the State House Building at Frankfort, Kentucky. In May 1898 the Office of the Department of Mines was moved to the University of Kentucky campus at Lexington where it remained until June 1989. Offices were moved to the Energy Administration Building, 3888 Research Park Drive, Lexington, Kentucky where it remains to date.

- The Oil and Gas Division of the Department was established by Law July 15, 1960.
- The Explosives and Blasting Division of the Department was established by Law June 16, 1972.
- The Miner Training, Education and Certification Division was established by Law December 22, 1976.
- The Mine Safety Analysis Division was established by Law December 22, 1976.
- ¹When the Department was established in 1884 the head of the Department was entitled Inspector of Mines. On June 10, 1893, the title was changed to Chief Inspector of Mines.
- ²In 1928 the title was changed to Chief, Department of Mines.
- ³On July 1, 1934 the Department became known as the Department of Mines and Minerals.
- ⁴In 1960 the title was changed from Chief to Commissioner.

2	Costain Coal, Inc.	Todd Watson	Clay, KY
3	Peabody Coal Company	Wayne Shook	Marissa, IL

DIRECTORY AND STATISTICS OF DEPARTMENT OF MINES AND MINERALS

To facilitate the mine inspection duties of the Department, the coal fields have been divided into six inspection districts. A mine rescue station which serves as the district office is centrally located in each district. The Eastern Kentucky coal field is divided into five districts, with mine rescue stations located at Barbourville, Harlan, Hazard, Martin and Pikeville. An office at Madisonville serves the Western Kentucky coal field.

The operations for the district offices are directed from the office of the Commissioner located in Lexington. General staff and Lexington office personnel are as follows:

John L. Franklin, Commissioner
Angela Byrd, Executive Secretary
William J. Morgan, Chief Examiner
Eugene D. Attkisson, Attorney III
Shirley McCollum, Legal Secretary Sr.
Randy Donahue, Director of Administrative Services
Betty Bostick, Personnel Administrator Assoc.
Susan Burke, Fiscal Officer
Sarah Taylor, Accountant Principal
Donna Redmon, Clerk Chief
Karen Taylor, Office Supervisor
Phillip Johnson, Director of Training and Education Division
Diane Banks, Secretary Principal
Shelley McConkey, Principal Assistant II
Elaine Kincaid, Administrative Assistant ¹
Tracy Stumbo, Mine Inspector Chief/Accident Investigator ²
David Johnson, Mine Inspector Chief/Electrical Inspector ³

1. Appointed 3-16-96

2. Promoted 10-1-95 and transferred to Administrative Services

3. Promoted 4-16-96 and transferred to Administrative Services

The Directory and Statistics of Coal Mines contained in the following pages is separated by Inspection Districts and by Counties.

Code letters to classify mines are as follows:

URC	Underground Rail Coal
URWC	Underground Rail Water Coal
UTC	Underground Truck Coal
UWC	Underground Water Coal
ARC	Auger Rail Coal
ASRC	Auger Surface Rail Coal
ASTC	Auger Surface Truck Coal
ASWC	Auger Surface Water Coal
ATC	Auger Truck Coal
AWC	Auger Water Coal
SRC	Surface Rail Coal
STC	Surface Truck Coal
SWC	Surface Water Coal
GSTC	Gob Surface Truck Coal

Notations are made as follows:

A	Abandoned
C C	Change of Company Name only
C O	Change of Operator and Company Name or Operator Name only
*	Estimated Tonnage

Production, employment and accident figures for River mines have been included in the totals for Truck mines for the purpose of compiling some statistical charts.

Many of the coal production figures of individual mines which appear herein have been estimated by the Department. This was necessary because the reports of the operators of those mines, particularly mines which became abandoned during 1996, were delinquent at the time of publication. Some historic tonnage figures have been corrected using computer database error correction.

BARBOURVILLE DISTRICT

The office and mine rescue station of the Barbourville District is located at Highway 25E and Cumberland Gap, Barbourville, Kentucky. The Barbourville District is comprised of Clay, Clinton, Jackson, Knox, Laurel, Leslie, McCreary, Owsley, Pulaski, Rockcastle, Wayne, Whitley Counties and part of Bell. The London District changed to the Barbourville District on October 16, 1996.

There were 91 commercial coal mines in the Barbourville District during 1996. Four hundred forty-five inspections were conducted along with along with 338 violations the Mine Safety and Health Division caused to be corrected. All of the 338 violations have in the past, and can be reasonably expected to in the future, cause serious or fatal injuries. Records show that twelve mines were abandoned in the district during the year 1996.

Personnel of the Barbourville District:

Cecil Smith, District Supervisor ¹
Dill Finley, Mine Inspector
George Hollis, Mine Inspector
Herman D. Williamson, Mine Inspector
Oscar Grubb, Mine Inspector
Patricia Lewis, Secretary
Connie Arthur, Secretary
Larry G. Stump, Mine Safety Analyst
Michael Partin, Mine Safety Analyst
Lowell G. Adams, Mine Safety Analyst ²

1. Appointed 1-1-96
2. Appointed 9-1-96

PIKEVILLE DISTRICT

The office and mine rescue station of the Pikeville District is located on Chloe Road, Pikeville, Kentucky. The Pikeville District is comprised of Pike County.

There were 269 commercial coal mines in the Pikeville District during 1996. One thousand twenty-two inspections were conducted, along with 2093 violations the Mine Safety and Health Division caused to be corrected. All of the 2093 violations have in the past, and can be reasonably expected to in the future, cause serious or fatal injuries. Records show that 13 mines were abandoned in the district during the year 1996.

Personnel of the Pikeville District:

David Phillips, District Supervisor	Lloyd Woody, Mine Safety Analyst
Edmond Ratliff, Mine Inspector Principal	Larry Scott, Mine Safety Analyst
Nagrattis Chapman, Mine Inspector	Teddy Akers, Mine Safety Analyst
Don Wallen, Mine Inspector	Randy Bentley, Mine Safety Analyst
Kenneth Kelly, Mine Inspector	Glenn Mace, Mine Safety Analyst
Johnny Ratliff, Mine Inspector	Worley Taylor, Mine Safety Analyst
Raymond Slone, Mine Inspector	
William Cantrell, Mine Inspector	1. Retired 4-15-96
Wilma Tucker, Secretary Chief ¹	2. Transferred from Analyst Division 7-1-96
Deborah Huffman, Secretary Chief	
Billie Sue Huffman, Secretary Principal	
Frances Adkins, Secretary Principal	
James Brad Fuller, Mine Inspector	
Chester Flint, Mine Inspector	
Robert Smith, Mine Inspector	
Jackie Castle, Mine Inspector	
Michael Elswick, Mine Inspector	
Randal Smith, Mine Inspector ²

MINER TRAINING, EDUCATION AND CERTIFICATION DIVISION

Personnel of the Miner Training, Education and Certification Division:

Phillip Johnson, Director
Connie Wolfe, Administrative Secretary Sr.
Ann Young, Data Entry Operator
Kristie Shelley, Data Entry Operator

TRAINING AND EDUCATION INSTRUCTORS

Archie Justice, Mine Safety Instructor
Leonard Runyons, Mine Safety Instructor
Austin Riley, Mine Safety Instructor
Danny Knott, Mine Safety Instructor
Tony Casebolt, Mine Safety Instructor
David L. Johnson, Electrical Mining Instructor¹
Ronnie McDowell, Electrical Mining Instructor
William Perkins, Electrical Mining Instructor
Melvin Wagers, Mine Safety Instructor
Wayne Collett, Mine Safety Instructor
Norman Goble, Mine Safety Instructor
Elam Hall, Mine Safety Instructor
Fred Carmical, Mine Safety Instructor
Kenneth Morgan, Mine Safety Instructor

1. Promoted to Mine Inspector Chief Electrical Inspector 4/16/96 and transferred to Administrative Services

TRAINING AND EDUCATION

The Training, Education and Certification Division was established in 1971, with a Federal grant from the Mine Enforcement and Safety Administration now known as the Mine Safety and Health Administration (MSHA). The Division continues to be funded by MSHA with 80% of the Training, Education and Certification budget being provided by MSHA and the Commonwealth of Kentucky providing 20% of the budget.

During the year of 1996, our instructors, who are stationed in six district offices located in the Eastern and Western coal fields, presented 1,276 class sessions and trained 10,787 miners from 2,024 mines. A total of 1,095 independent contractors were trained from 412 companies. Our instructors offered 29 different subjects and taught 13,307 hours of classroom instruction. In addition, 1,762 hours were spent testing 2,444 miners.

Kentucky coal miners can receive some of their required training from independent trainers located throughout Kentucky. In order to help assure that good quality training is provided, the Department of Mines and Minerals deems it necessary to certify all instructors (KRS 351.120). The total number of instructors certified by the Department after passing all phases of the examination as of December 31, 1996, was 651 Underground Mining Instructors, 105 Electrical Instructors and 287 Surface Instructors. Of the total, 17 Underground Mining Instructors, 10 Electrical Instructors and 24 Surface Mining Instructors were certified during 1996.

DEPARTMENT OF MINES AND MINERALS, MINING BOARD

The Board of Miner Training, Education, and Certification as provided by Chapter 351, Paragraph 105, Kentucky Revised Statutes, was composed of the following members in 1996:

John L. Franklin.....	Chairman
Pat Graham.....	Operator Member.....
Clifton Alexander ¹	Eastern Kentucky Operator
Member.....	Western Kentucky
Charles Dixon.....	Miner Member.....
Edgar Oldham.....	Miner Member.....
Joseph G. Jacobs ²	Western Kentucky
Ben Spears ³	Operator Member.....
John Sturgill ⁴	Eastern Kentucky
Phillip Johnson, Director, Miner Training, Education and Certification Division	Non-Voting Member

1. Term expired 6/18/96

2. Appointed 6/19/96

3. Appointed 6/19/96

4. Appointed 6/19/96

Pursuant to KRS 351.106, Underground Miner Training and Certification Regulations were implemented in October of 1977. During 1978, the required 48-hour inexperienced miner's program was prepared, and the first classes were taught in May of 1978.

After the Underground Miner Training and Certification Regulations were implemented in October of 1977, the Board of Miner Training, Education and Certification established a date of November 1, 1978, as the date all persons employed in underground mines should meet this requirement.

Uniform one-day examinations for Mine Inspector, Underground Mine Foremen, Surface Mine Foreman, Underground Mine Instructor and Surface Mine Instructor were scheduled by the Board to meet the demand whenever it arose. Examinations were held in the Department offices in Lexington, and at various localities throughout the coal fields, whenever the number of applicants made it justifiable. Mr. William J. Morgan continues to serve as Chief Examiner throughout the Commonwealth.

Examinations were multiple choice in character. Applicants were given written examinations on the following subjects: Mine Law; First Aid; Ventilation; Apparatus and Electricity; Fires and Explosives; General Mining Practices and Gases. Each applicant was tested on his/her ability to detect methane with a flame safety lamp, and use of an anemometer in the calculation of the rate of air current flow. The miner was further required to prove his/her knowledge of safe mining practices, in an interview with the Examiner, and to indicate safe and practical methods of ventilation on a typical mine map.

A list of those who successfully completed the required examination for foreman and inspector is shown on the following pages:

MINE SAFETY ANALYSIS DIVISION

Franklin Reed, Director

The Mine Safety Analysis Division consists of 28 field personnel under the direct supervision of their respective district supervisor. The primary responsibility of the safety analyst is to prevent underground mine accidents and fatalities by observing and evaluating the work habits of persons involved in the direct production of coal and to contact, advise, and assist these persons on a one-to-one basis, correcting their unsafe or potentially hazardous actions.

In 1996, they caused 6452 unsafe actions or conditions to be corrected. All of the 6452 unsafe actions or conditions have in the past, and can reasonably be expected in the future, to cause serious or fatal injuries.

The program has served the industry well as evidenced by the decrease of underground fatalities since its inception. There were nine underground mining fatalities and three fatalities at surface operations during 1996.

The future goals of the Mine Safety Analysis program, as are the goals of the Kentucky Department of Mines and Minerals, are to further reduce all mining accidents by promoting and maintaining safety standards in the Commonwealth's coal mines thus preserving the Kentucky mining industry's most valuable resource, The Miner.

EXPLOSIVES AND BLASTING DIVISION

During 1996, 56 new General Blaster's Licenses were issued, and 2,184 General Licenses were renewed. Also, 95 Limited Licenses were issued and 591 Limited Licenses were renewed. There were 83 General Examinations and 104 Limited Examinations given. To obtain a General or Limited Blaster's License, the applicant must pass the prescribed written examination and must have two years of practical blasting experience. Nine courses were offered at various locations around the state and were attended by 135 people. In 1996, 50 Blaster Certification Examinations were administered under the Memorandum of Agreement with the Cabinet for Natural Resources and Environmental Protection as mandated by the Federal Office of Surface Mining.

Personnel of the Division of Explosives and Blasting

Lawrence C. Schneider, Director.....	Lexington
Douglas Hicks, Senior Blasting Inspector/Instructor.....	Martin
Kenneth Payne, Senior Blasting Inspector/Instructor.....	Barbourville
Carlos Delgado, Senior Blasting Inspector/Instructor.....	Lexington
Evan Shelby, Senior Blasting Inspector/Instructor.....	Marion
Coleman England, Senior Blasting Inspector/Instructor.....	Hyden
Ralph Coy ¹ , Senior Blasting Inspector/Instructor.....	Lawrenceburg
Kevin Meade, Senior Blasting Inspector/Instructor.....	Pikeville
Terry Dozer , Senior Blasting Inspector/Instructor.....	Central City
Andrew Smith ² , Blasting Inspector/Instructor.....	Louisville
Sandra Thor, Administrative Secretary, Sr.....	Lexington
Suann Reese ³ , Secretary Principal.....	Lexington

1. Retired 6-30-96

2. Appointed 11-01-96

3. Appointed 07-16-96

The Division of Explosives and Blasting continued its program of inspection, enforcement, education, and licensing of blasters in 1996. A total of 151 new blaster's licenses

were issued during the calendar year 1996. Of these 151 new licenses, 56 were general blaster's licenses, and 95 were limited blaster's licenses. As of December 31, 1996, there were 2,926 individuals holding current and valid Kentucky blaster's licenses. Of these, 2,240 were general licenses, and 686 were limited licenses.

During 1996, well over 800 million pounds of explosives were detonated in Kentucky. This quantity represents 20% of the total explosives used in the entire United States.

The division conducted five General Blaster's training courses and four Limited Training Courses throughout the Commonwealth in 1996. These classes were attended by 135 people who were primarily applicants for blaster's licenses. The locations and number of attendees in the thirty hours of instruction are listed as follows:

<u>Classes</u>	<u>No. Attending</u>
Lexington	25
Lexington	6
Hazard	5
Hazard	14
Harlan	10

These courses consist of thirty hours of instruction covering all aspects of explosives use. The purpose of the course is to raise the competency level of the blaster's in the field as well as assist those preparing to take the blaster's examination. The public is better protected and the blaster's work environment is safer when the blaster's ability is enhanced through training.

The division conducted four Limited Blaster's Training Courses which is a course on blasting safety and techniques for small scale blasting operations. The locations and number of attendees in this class are listed as follows:

Martin	27
London	16
Maysville	16
Martin	16

The Explosives and Blasting Inspectors answer 100% of all public complaints received by this Division. These complaints primarily concern ground vibrations, noise, flyrock, and various other adverse effects of blasting. The inspector's investigation of the complaints involves inspection of the operation generating the complaint and extensive seismic monitoring. During 1996, the Division made 199 such investigations of public complaints and used the seismograph 88 times in order to resolve these complaints.

In addition, the inspectors continue to make routine checks of all blasting operations to ensure compliance with the laws and regulations governing the use of explosives. The Division inspects not only those companies using explosives, but also companies which manufacture,

sell, store, and transport explosives. Twenty-four companies, engaged in the sale or distribution of explosives in the Commonwealth, registered with the Division in 1996. Eighty-two explosive users and distributors registered permanent magazines in 1996.

During the year the Division has participated in a number of seminars sponsored by other state and federal agencies and educational institutions. It has been the aim to use every opportunity for education of the public and training of blasters in the safe use and associated hazards of explosives.

During the 1996 session the Kentucky Legislature passed House Bill 580 which requires any person or corporation that purchases explosives in Kentucky to obtain a permit. The legislature assigned the duty of reviewing and issuing these permits to the Department of Mines and Minerals, Division of Explosives and Blasting. This law became effective on July 15, 1996, which meant that any mine, quarry, construction company or individual who wishes to purchase explosives on or after that date must have a permit.

Provisions in the bill are intended to minimize the paperwork for legitimate entities that use explosives, particularly licensed coal mines. While the bill does not exempt coal mines from the requirement to have a permit, it does eliminate the application fee and form. Coal mines, which are licensed to operate in the Commonwealth of Kentucky are automatically issued a permit to purchase explosives. As of December 31, 1996, 1,188 permits to purchase explosives were issued.

The number of licensed blasters has again decreased this year, continuing a trend that began in 1982 when there were over 4,700 licensed blasters. This drop in the number is due to the increased use of contracted shot service crews provided by the explosive companies, the retirement of licensees who were originally grandfathered into the system, and the more stringent training, testing, and experience requirements mandated by OSM for surface coal blasters.

OIL AND GAS DIVISION

The Division of Oil and Gas is currently on-line with the Kentucky Geological Survey using the Open VMS Operating System (Alpha) for our data processing needs. We have developed well history data for each well that can be utilized daily. At present, there are approximately 79,301 wells stored on-line for which we have data relative to the permit, operator, well location, pertinent dates and well completion.

At the close of 1996, the Oil and Gas division had 13 field inspectors, 3 field supervisors and 9 employees on its administrative staff.

Available to the public is a weekly publication of permits issued identifying the permit number, operator name, farm name, county, Carter Coordinates, and target formation. This publication may be obtained by an annual subscription of fifty (\$50) dollars. We are, however, unable to furnish back issues of the publication.

In 1996, the Division issued 957 violations, forfeited bonds amounting to \$123,500.00 and released bonds amounting to \$464,400.00. There were 248 new bonds posted totaling \$704,500.00 and 1,149 well transfers were accomplished. The Division plugged 212 abandoned wells with State funds and performed 3,204 well inspections.

PERMITTING

The top four (4) counties receiving the most permits in 1996 are in descending order as follows: Pike, Clinton, Whitley, and Adair. These counties accounted for 33% of the permits issued.

1996 CONSERVATION ACTIVITIES

-GENERAL-

A statistical summary of the oil and gas activities in Kentucky are as follows:

New Permits Issued	827
Oil Wells Completed	122
Gas Wells Completed	223
Combination Oil and Gas	1
Misc. Service Wells Completed	0
Oil Wells Reported Plugged	138
Gas Wells Reported Plugged	37
Combination Oil and Gas Wells Plugged	2
Misc. Service Wells Plugged	7
Dry Holes Plugged	455
Total Wells Plugged	639
Wells Reported Plugged With No Known Completion	0

STATUS OF KENTUCKY OIL AND GAS WELLS (12-31-96)

	Oil	Gas	Comb.	Service	Totals
Total Producing Wells on 1/1/96	30,895	12,150	574	2,016	45,635
New Wells Added in 1996	122	223	1	7	353
Less Wells Plugged in 1996	138	37	2	7	184
New Totals 12/31/96	30,829	12,336	573	2,016	45,754

Discrepancies are now due to reclassification by inspections, addition of existing wells to database.

LEGISLATION

During 1996 the Division of Oil and Gas had two House Bills approved by the Kentucky General Assembly.

House Bill 736 - This bill **passed** during the 1996 legislative session and amends KRS 353.550 Section 1(1) to require the Department to have operators file production information for producing leases on forms required by the Department.

House Bill 737 - This bill **passed** during the 1996 legislative session and amends KRS 353.180 Section 1(1) to allow the Department to sell by sealed bid all equipment removed from a well site for operator non-compliance. This law requires the Department to advertise for bid in local newspapers and allows a claimant to this equipment to show documentation of ownership prior to the Department selling the equipment. Any equipment sold by the Department will be deposited into the state's plugging fund.

House Bill 739 - This bill was **defeated**. It proposed to amend KRS 353.590 Section 1(5) to delete the allowance of property bonds used for bonding of oil and gas wells.

REGULATIONS

During 1996 the Division of Oil and Gas filed the "Notice of Intent" (NOI) to determine if there is need for two regulations, 805 KAR 1:170 and 805 KAR 1:180. It is anticipated that these regulations will be submitted for the regulatory review process for house approval during 1997 along with 805 KAR 1:160 with a NOI submitted during a previous year.

805 KAR 1:160 - This proposed regulation describes the requirements for a "Danger Sign" to be posted on oil petroleum storage tanks and tank batteries.

805 KAR 1:170 - This proposed regulation will identify the reclamation form used when an applicant submits an application to drill a well where there has been a complete severance of the oil and gas from the surface to be disturbed. This regulation will amend proposed Regulation 805 KAR 1:150 expiring for deficiency. Our office intends to resubmit 805 KAR 1:170 to replace 805 KAR 1:150 with the offending portions removed.

805 KAR 1:180 - This proposed regulation will establish the procedure whereby an operator reports production in formation and identifies producing leases and the forms for recording this information.

NOTE: At the time of this publication, the regulations were filed with the Legislative Research Commission. The filing date was February 27, 1997.

Online Access to the Department of Mines & Minerals

The Department currently maintains a website for access to information such as this Annual Report, the Bulletin, Oil & Gas-Spudding, Permitting and Transfer reports and others. Information regarding regulation of blasting is also available. The mine map page has correlation data on all Kentucky coal seams as well.

Eventually all information that is commonly requested will be available on our website. Please feel free to contact the Department regarding what you would like to see on our homepage or anything that needs to be corrected.

The URL is <http://www.caer.uky.edu/KDMM/homepage.htm>

To contact the webmaster or send the Department e-mail in general mailto: hiett@alpha.caer.uky.edu
